TEACHING & LEARNING SUPPORT in 2018

2018 marks a very important year for APIC, especially in regulatory compliance and enhancing student experiences. Therefore, in 2018, Teaching & Learning Support (TLS) services to APIC students will include:

- Academic Integrity Module: TLS will pilot this at APIC Melbourne, as a compulsory component of new- student orientation
- Weekly Academic Workshops: TLS will deliver these workshops twice weekly to maximise students’ ability to attend
- In-class Immersion Support
- Academic Helpdesk: situated in APIC library, available to all students, providing practical academic assistance in the various areas

INTERNSHIPS

TLS provides full support to students seeking an internship opportunity. APIC students are strongly encouraged to enquire and register by emailing: internship@eca.edu.au.
