4. Statutory References

Section 1 of the Standards for Higher Education within the Higher Education Standards Framework 2015 (Threshold Standards) establishes standards for admission policies, and requirements and procedures relating to information provision and access as follows:

1.1 Admission

1. Admissions policies, requirements and procedures are documented, are applied fairly and consistently, and are designed to ensure that admitted students have the academic preparation and proficiency in English needed to participate in their intended study, and no known limitations that would be expected to impede their progression and completion.

2. The admissions process ensures that, prior to enrolment and before fees are accepted, students are informed of their rights and obligations, including:

- a. all charges associated with their proposed studies as known at the time and advice on the potential for changes in charges during their studies*
- b. policies, arrangements and potential eligibility for credit for prior learning, and*
- c. policies on changes to or withdrawal from offers, acceptance and enrolment, tuition protection and refunds of charges.*

3. Admission and other contractual arrangements with students, or where legally required, with their parent or guardian, are in writing and include any particular conditions of enrolment and participation for undertaking particular courses of study that may not apply to other courses more generally, such as health requirements for students undertaking clinical work, requirements for security checks, particular language requirements and particular requirements of work placements.

Standard 2 of the Standards for Registered Providers within the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007 (National Code) establishes the following requirements of providers as they relate to admission and admission criteria with regard to prospective international students:

2.1 Prior to accepting a student, or an intending student, for enrolment in a course, the registered provider must provide, in print or through referral to an electronic copy, current and accurate information regarding the following:

- a. the requirements for acceptance into a course, including the minimum level of English language proficiency, educational qualifications or work experience required and whether course credit may be applicable.*

2.2 The registered provider must have documented procedures in place, and implement these procedures to assess whether the student's qualifications, experience and English language proficiency are appropriate for the course for which enrolment is sought.

5. Admission Principles

The following principles and practice form the foundation for this policy.

APIC is committed to recruiting students in an ethical and responsible manner and to that end provides prospective students with current and accurate information in print, or through referral to an electronic copy, regarding the requirements for admission into APIC courses, including the minimum levels of English language proficiency, educational qualifications, work experience (if required), and whether Recognition of Prior Learning may be available. (refer [Credit Arrangements and Recognition of Prior Learning Policy](#))

All applications for admission to an APIC course are evaluated, and qualifications, experience and English language proficiency are validated. Applications are processed in accordance with APIC's established pre-admissions and admissions procedures. (refer 9. Verifying Applicants' Documents and Academic and English Language Credentials)

APIC is committed to ensuring the equitable and open implementation of this policy, including a commitment to incorporating affirmative consideration of educational disadvantage which may have been experienced by applicants who can demonstrate their readiness to undertake higher education study. Notwithstanding these commitments APIC is bound by its obligations to both the Privacy Act 1988 and the Migration Act 1958.

The College ensures that course admission requirements do not present unreasonable barriers to access. College admission and enrolment processes include provision for applications for additional consideration from students who:

- are Aboriginal and Torres Strait Islander people;
- are from culturally and linguistically diverse backgrounds;
- are a mature aged applicant;
- have a disability or long term medical condition;
- have difficult circumstances (family or background); and/or
- have suffered disadvantage in their prior academic performance.

Such requests should be made in writing and submitted with the course on-line application. (refer [Equity and Diversity Policy](#))

Wherein this policy establishes the minimum standards for admission to undergraduate and postgraduate courses at the College, additional specified admission criteria for specific courses may be approved by the Academic Board in special circumstances. Admission requirements for all undergraduate and postgraduate courses will be reviewed and approved annually by Academic Board.

6. Entry Requirements

All applicants for APIC courses must hold the relevant academic or equivalent qualifications that are consistent with the requirements to commence study at the Australian Qualifications Framework (AQF) level for that course. (refer 6.1 Postgraduate entry requirements, and 6.2 Undergraduate entry requirements)

Individual applicants for any award course who do not meet the formal entry requirements may be considered on a case by case basis and approved for admission by the Dean.

Students who have accepted a Letter of Offer and who have not yet enrolled in their course may be approved by the Dean to defer their enrolment for a period of up to 12 months from their course start date.

Where English is not an applicant's first language or where the qualifications are from institutions where the delivery of the program was not in English, applicants are required to demonstrate their proficiency in English by achieving the English entry level in an internationally recognised English Language examination, as

detailed for the relevant programs below. (refer 6.1.3 English language requirements for postgraduate entry, and 6.2.3 English language requirements for postgraduate entry)

Applicants who do not meet APIC's English proficiency requirements can be made a conditional offer, with the requirements to complete an approved intensive English language course and to meet the required standard prior to their commencing their APIC award course study. APIC verifies each applicant's academic and English language credentials and the status of the awarding institution prior to the issuing of a Letter of Offer.

9.1. Certified documentation

Applicants must submit original or officially certified copies of their academic transcripts and English language course certificates (as appropriate). To be considered officially certified copies, documents must be certified by a Justice of Peace or by an authorised agent.

Appendix A – English Language Requirements

A1. Tertiary Study in English Language Medium Requirements

Applicants may be deemed to have met the APIC English language requirements for admittance if the applicants have successfully completed a recognised undergraduate or postgraduate degree level course in Australia or in a tertiary education institution in one of the countries listed in Table A1 below, and in which English has been the sole medium of instruction and examination.

If immediately prior to applying for admission to APIC an applicant was enrolled and was studying a course offered by an Australian university or higher education institution comparable in level to the APIC course, that applicant may be deemed to have met the APIC English language requirements for admittance.

Table A1. Countries with Approved English Language Medium Tertiary Education Institutions

American Samoa	Nigeria
Botswana	Papua New Guinea
Canada	Singapore
Fiji	Solomon Islands
Ghana	South Africa
Guyana	Tonga
Ireland	Trinidad and Tobago
Jamaica	United Kingdom
Kenya	United States of America
Lesotho	Zambia
Liberia	Zimbabwe
New Zealand	

A2. Other Study in English Language Medium Requirements

Applicants may be deemed to have met the APIC English language requirements for admittance if within the last 24 months they have successfully completed:

- at least one year of a vocational qualification at a Diploma or Advanced Diploma level in an Australian Registered Training Organisation; or
- they have resided and worked professionally in Australia or another English-speaking country since graduation (Applicants will need to provide proof of residency and employment with their application for admission).

Applicants who have studied English prior to their application or those with prior living experience in an English speaking country do not automatically meet APIC's English Language proficiency requirements, and are considered on a case by case basis. In all such cases the College may still require applicants to pass the English for Academic Purposes (EAP) test (minimum score 50) or equivalent tests prior to their commencement of studies at APIC.
