Website Policy v1.1  
Page 1 of 3
1. Purpose
This policy provides guidelines for the maintenance of all relevant technology issues related to the College website.

2. Scope
All students and employees who use or access APIC’s technology equipment and/or services are bound by the conditions of this Policy.

3. Definitions

4. Website Register
The website register must record, as a minimum, the following details:

- List of domain names registered to the College
- Dates of renewal for domain names
- List of hosting service providers
- Expiry dates of hosting

Keeping the register up to date will be the responsibility of IT Team Leader.

The IT Team Leader will also be responsible for any renewal of items listed in the register.

5. Website Content
All content on the College website is to be accurate, appropriate and current. This will be the joint responsibility of Head of Sales and the President.

The content of the website is to be reviewed at least once a year.

The following persons are authorised to make changes to the College website:

- President
- Dean
- Registrar
- Director of Accreditation, Compliance and Quality Assurance
- ICT Manager

Basic branding guidelines must be followed on College websites to ensure a consistent and cohesive image for the College.

In order to meet the requirements of TESQA Higher Education Framework, the College website is to be updated within 14 days of any changes to the content.
