Any student that withdraws from a course may remain liable for the full course tuition fees, subject to the Refund Policy which can be found in the College policy library.

### 6. Transferring to Another Registered Provider

In-line with the National Code 2017, international students may transfer from APIC to another registered provider, provided they have completed at least six months of the course in which they are enrolled at APIC, and the student has a valid enrolment offer from the receiving provider. A letter of release will be granted at no cost to the student. A letter of release will not be granted for reasons deemed to be for other than genuine student purposes.

International students may request to transfer from APIC to another registered provider before they have completed six months of the course in which they are enrolled. Requests for transfer in these circumstances will be assessed by the Registrar, and will only be granted where the:

- Student has a valid enrolment offer from the receiving provider
- Course the student wishes to transfer to:
  - better meets the study capabilities of the student
better meets the long-term goals of the student, whether these relate to future work, education or personal aspirations

- Student wishes to change course in order to get access to greater support (may be through the services offered by another provider, commercial or non-for-profit services or through access to family, friends or a cultural support network)
- Student claims or can provide evidence that his or her reasonable expectations about the current course are not being met.

Students who are granted permission to transfer to another provider before completing six months in their course at APIC will be provided with a letter of release at no cost. The letter will advise the student of the need to contact the DIBP to seek advice on whether a new student visa is required.

A request for transfer to another provider will be not be granted where it is considered the transfer may be detrimental to the student if:

- The transfer may jeopardise the student’s progress through a package of courses; or
- The student only recently commenced studies in the course and the full range of support services are yet to be provided; or
- The student is the subject of procedures which could lead to their being reported to DIBP for breach of their student visa conditions and/or breach of the APIC Student Code of Conduct.

Where a request for transfer is not granted, the Registrar will provide the student with a letter outlining the reason/s for the request being refused and providing information about his/her right to appeal the decision under APIC’s Student Grievance and Appeals Policy.

Further details are outlined in the College’s International Student Transfer Between Registered Providers Policy which can be found www.apicollege.edu.au.

7. Where a refund of course fees is to be paid to you, this will be processed under the APIC’s Refund Policy and Refund Procedure.

8. Where outstanding fees are payable by you, the Accounting staff will arrange for a final invoice to be issued to you. No Statements of Attainment will be issued for course units already completed until the outstanding payment is made.

9. Student Services staff will update the student record within the SMS with all relevant information and attach any final summary reports of the outcome, which can be accessed by the student through RTO Manager.
