1. Purpose

APIC is committed to the principles of equal opportunity and diversity in the selection and education of its students. This policy provides the framework to ensure that APIC is guided by the principles of equal opportunity, respect and inclusion. This policy is designed to comply with the spirit and intent of the Federal and State legislation.
2. Scope

All members of the APIC community have a responsibility to contribute to the achievement of an equitable learning environment. This policy applies to all APIC students and prospective students, and is enacted by all APIC staff, contractors, visitors or individuals engaged in official relations with APIC.

4. Policy Statements

APIC does not discriminate against students based on age, race, colour, religion, ancestry, national origin, age, gender, sexual orientation, marital status, veteran status or physical or intellectual disability in the recruitment of students or staff or the implementation of its policies, procedures and activities.

APIC is committed to ensuring the integration of the principles of equal opportunity for all students in College policies, procedures, decisions and operations. College activities are underpinned by the principles that:

- Students have the right to be treated fairly and equitably;
- There is equitable access to education for students;
- Students are entitled to a study environment free from unlawful discrimination, harassment, vilification, bullying or other adverse and inappropriate behaviours;
- Diversity is respected and appreciated as contributing to the richness of the teaching and learning environment;
- An inclusive and flexible environment, including the implementation of special measures when required, provides the best outcomes for the varied needs of the College’s diverse student community;
- Equal opportunity does not mean treating everyone in the same way and in order to redress the past disadvantages of particular groups, special measures are needed to improve employment and educational opportunities for people from these groups. These groups include women, Aboriginal and Torres Strait Islander people, people with a disability and people from culturally and linguistically diverse backgrounds; and
- Students have the right to raise complaints in good faith under APIC’s complaints procedure without fear of retaliation or victimisation.

5. Policy Implementation

5.1 Characteristics which Federal and state legislation prohibit discrimination and harassment on the following:

- Age
- Breastfeeding
- Disability
- Family or carer’s responsibilities
- Marital or relationship status
- Political conviction
- Pregnancy or potential pregnancy
- Race, colour, descent, nationality, ethnic, ethno-religious or national origin
- Religion
- Sexual orientation or preference
- Actual or imputed characteristics of any of the attributes listed above
- Association with a person identified by reference to any of the attributes listed above.
6. Procedures and Implementation

6.1 APIC will promote equal opportunity by:

- Endeavouring to take all reasonable steps to ensure that the learning environment is free from unlawful discrimination, harassment, vilification, victimisation, bullying or other adverse and inappropriate behaviours.
- Implementing inclusive policies, practices and programs in all its activities and services to take account of the needs of the diverse College community.
- Developing and implementing programs and special measures to improve access, participation, retention and success of students from underrepresented equity target groups.
- Monitoring and reporting on APIC’s diversity performance against identified College priorities.
- Implementing training and awareness raising strategies to ensure that all staff understand their obligations with respect to student equity.
- Providing an effective procedure for complaints based on the principles of natural justice.

6.2 Areas of Focus

While APIC recognises and supports safety and equity for all students, the College will provide targeted focus on the following groups:

a. Indigenous students
   APIC is committed to improving the educational outcomes of indigenous students. APIC will promote policies and practices to foster indigenous participation and success through consideration of admission criteria, scholarships, and academic support.

b. Women in Non-Traditional Areas (WINTA)
   According to the National Centre for Student Equity in Higher Education\(^1\), WINTA applies to female enrolment in ‘non-traditional’ disciplines such as, inter alia, Information Technology and Management and Commerce. Given APIC offers courses in these ASCED defined fields of education, the college will commit to facilitate enrolment and success of females in these disciplines.

6.3 Complaints

Any complaints by students about breaches of this policy will be dealt with in accordance with APIC Grievances and Appeals Policy and Procedure document. Complaints may also be made externally to the Australian Human Rights Commission, state Anti-Discrimination Boards, the Overseas Student Ombudsman, or the Tertiary Education Quality and Standards Agency.

7. Responsibilities

7.1 The College

Creating an environment that is free from all forms of discrimination, bullying,

---

harassment and conflicts is not a headline action. Rather, the College will promote the principles of equity, diversity and inclusion continuously and embed these in its long term vision, strategy and plans. The College must disseminate through appropriate means including its website, messages that it provides an inclusive and welcoming environment for all students regardless of their background or other attributes. The Governing Board shall ensure that the College environment is free from all forms of discrimination though its monitoring and approval of policy, processes and related reporting.

7.2 **APIC Staff and Students**

All students are expected to adopt respectful and inclusive behaviours in the College through their dealings with each other and the College community.

7.3 **APIC Executive**

The College expects the senior leadership team, led by the President, to actively promote the principles of equity, diversity and inclusion in all student activities. The President and all executives, managers and supervisory staff have accountabilities for the implementation of student equity and diversity within APIC.
